Sounds good to me. I highly doubt that I'll have any significant edits to offer.

The current thought is that the Region 2 RA will sign the letter on March 8th. So I think you and Samir can review a more final version early next week if that works for you.

Thanks,
Greg

Hi Greg, Samir is out this week, but I'm sure he'd like to review when he gets back. I'd also like to review, but if you think it won't be sent until next week, I'm happy to wait to see a more final version.

Thanks,
Carl

Hi Carl and Samir,

We have a draft of the letter that we intend to send to the citizens group. We worked with OGC and OAQPS staff. Right now, the draft is being reviewed by Region 2 management, ARD management and OAQPS management.

Would you like to review the letter?

Greg
